

# THE HIDDEN LAYERS OF DAMAGE

WHAT YOU DON'T SEE IN YOUR HOME COULD COST YOU AS HIDDEN DAMAGE OFTEN LEADS TO DENIED CLAIMS.

## ROOF DAMAGE YOU MIGHT MISS

Storms leave cracks and missing shingles

Small issues grow into major losses

Inspect and file all insurance claims promptly

## HIDDEN WATER IN THE WALLS

Moisture seeps in unnoticed

Walls weaken from long-term exposure

Policies may define it differently

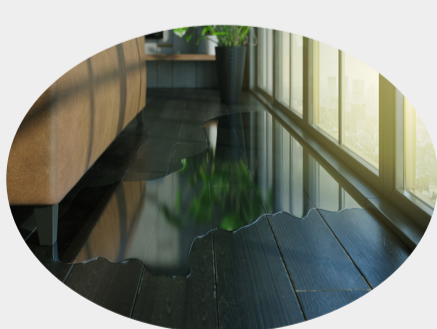

## THE importance of DOCUMENTATION

Minor damage often hides bigger problems !

Note both the loss and its cause !

Photos and reports strengthen claims !

## BASEMENT RISKS BELOW THE SURFACE

Leaks and seepage often start here

Mold and foundation issues spread silently

Quick action prevents disputes
